Every Step Counts!

DelDOT

Delaware Department of Transportation

SAFE ROUTES TO SCHOOL AND BIKE RODEO TRAIN-THE-TRAINER COURSE

Every Step Counts!

Join parents, educators, and community members to make walking and bicycling to school safe, convenient, and fun. By teaching children bicycle and pedestrian safety skills, exploring ways to create safer streets, and encouraging active travel to school, we can better the lives of not just our children, but our entire community, one step at a time.

Be active, Improve safety, Reduce traffic, Improve air quality.

SRTS

Learning objectives:

- Learn simple ideas for improving school travel
- Identify the right "Es" for your SRTS program
- Conduct a walkability audit
- Learn how to do your own bike rodeo
- Understand the different rodeo models and material needs
- Be able to choose the right models for your goals/ situation
- Learn how to get technical assistance
