Appendices..... 202

I. Delaware Cultural Resources Survey Locus Identification Form for the Hawthorn Farmstead 7NC-E-46, State CRS Number 6264..... 202

II. National Register of Historic Places Inventory Nomination Form for the W. M. Hawthorn Farmstead, 7NC-E-46..... 205

III. White Clay Creek Hundred Tax Assessment Data, 1777-1909..... 211

IV. Inventory of William Peery, 1790..... 225

V. Inventory of William Hawthorn, 1815..... 228

VI. Inventory of William Hawthorn, 1840..... 231

VII. Agricultural and Census Data, 1810-1880..... 235

VIII. Inventory of Arnold Naudain, Senior, 1899..... 241

IX. Provenience Catalog Number List 81/24..... 243

X. Total Artifact Inventories..... 251

XI. Application of Mean Ceramic Date Formulas with Computer Program to Each Provenience Number and Combined Proveniences..... 287

XII. Artifact Class Frequencies..... 294

XIII. Faunal Remains Analysis of the W.M. Hawthorn Farmstead..... 297

XIV. Research Design and Data Recovery Plan..... 315

XV. Glossary..... 326

LIST OF FIGURES, PLATES, AND TABLES

		Page
Figure 1:	Regional Location of the Project Area.....	x
Figure 2:	Topographic Map of Project Area.....	2
Figure 3:	Phase I Archaeological Investigations at the William M. Hawthorn Site.....	6
Figure 4:	Phase II Excavations at the William M. Hawthorn Site.....	7
Figure 5:	Map of J. Smith's Property and Vicinity, circa 1702 (compiled from New Castle County Land Warrants and Surveys (1671-1776) and the Jacob and Isaac Taylor Papers).....	23
Figure 6:	The Road from Philadelphia to Washington, 1804 - detail of the Christiana-Wilmington Vicinity (from S.S. Moore and T.W. Jones, The Travelers' Directory...:, Philadelphia: Mathew Carey, 1804).....	29
Figure 7:	Map of the William Hawthorn and Thomas Hawthorn Properties, 1816 (from New Castle County Orphans Court Records).....	50
Figure 8:	Map of the William Hawthorn Property, 1829 (from New Castle County Orphans Court Records, N-1-273).....	54
Figure 9:	Project Area--Rea and Price Map of New Castle County, 1849.....	59
