the holdings of the
Delaware Department of Transportation

Name and Address

Requests permission to use the following materials for publication (print or electronic) or exhibit*

PHOTOGRAPH/COLLECTION NUMBER:

DESCRIPTION:

Publication in which materials are to be used*

*Approval of this application shall be contingent upon application using the credit line "Delaware Department of Transportation" on all reproductions. Applicant hereby agrees to include this credit line on all reproductions and to provide the Delaware Department of Transportation (DeIDOT) with a copy of the publication(s) in which the items appear, when published. If the documents are to be mounted on the web, a copy of the electronic documents or images is required to accompany this request to the Delaware Department of Transportation. Please be advised that DeIDOT may create a link on our website to any other website where materials included above may appear.

The requester agrees that all items copied onto film negatives, prints, transparencies, videotapes, web documents, etc. from DeIDOT holding will be visibly identified as coming from the Delaware Department of Transportation. Noncompliance with this agreement may mean violation of copyright law. The user of the materials assumes all responsibility for infringement of legal copyrights.

The Delaware Department of Transportation looks forward to receiving a copy of the publication upon release.
