Subject:

New PDCA Review Types

Effective Date:

March 9, 2020

Notice

The PDCA now has 2 new Submission Review Types that are available now!!

1. Traffic Safety Detour Plan
2. Traffic Design – Signal/Lighting/ITMS Plans

Development Coordination has taken preemptive measures by creating these new submission types to allow more flexibility in the review process. This change will allow information that needs to get directly reviewed and approved by the Traffic Section to get there without delay.

If you have any questions, please feel free to contact the Development Coordination Section at 302.760.2266.
