MEMORANDUM

To: All Users of the Delaware Manual on Uniform Traffic Control Devices

From: Mark Luszczyk, P.E., PTOE *ML*
Chief Traffic Engineer

Date: June 12, 2019

SUBJECT: Interim Guidance; Part 2, Signs
DART Bus Stop Signage

This Interim Guidance to the Delaware Manual on Uniform Traffic Control Devices (MUTCD) is related to the modified design of the DART Bus Stop sign (D4-3-DE).

The sign design used by DART in Figure 2B-26 of the Delaware MUTCD has been discontinued and replaced with the style shown in Figure 1 below. Applications for its use, outlined in Section 2B.51, have not changed. Effective immediately, the updated design shall be used for all new D4-3-DE installations and replacements.

Additionally, the DelDOT Sign Shop does not fabricate this sign or any supplemental plaques to allow for additional route numbers. All requests for fabrication of these signs must be made through DART Transit at (302) 576-6132.
