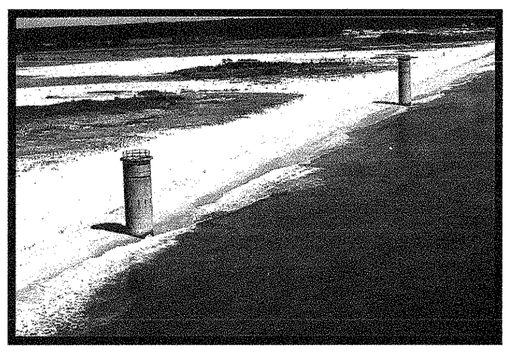
Delaware State Parks . . .

. . . The Only Thing Missing is You

Sometimes referred to as the "jewels of the Diamond State," Delaware's 14 state parks offer visitors natural beauty, quiet escapes and outdoor adventures, some as near as your own backyard and all within an easy drive from major cities of the Mid-Atlantic. The diverse parks system encompasses more than 20,000 acres, sprawling from the cypress swamp of southwestern Sussex County to the rolling hills of northern Delaware.

Open year round, the parks offer tremendous recreational resources, including two historic forts to explore, a waterslide park, hiking trails, picnic pavilions, living history programs, guided canoe trips, ocean swimming, sailing, wildlife watching, freshwater fishing and some of the best saltwater angling in the state.



50th Anniversary

In 2001, Delaware's state park system marks a major milestone — its 50th anniversary. Special programs and activities thanking visitors for their support over the years will highlight the accomplishments of the past half century . . . and help them enjoy our "golden jubilee!"

Camping and Cabins

Five parks — Lums Pond, Killens Pond, Cape Henlopen, Delaware Seashore and Trap Pond — have extensive family camping facilities, from tent and RV campgrounds to rustic yurts and modern cabins. Planning a vacation under towering trees near a freshwater pond or close to sand dunes and sparkling bay waters is easier than ever with Delaware State Parks' new central reservation system. To make a reservation call 1-877-98-PARKS (877-987-2757).

Special Events and Unique Meetings

Annual festivals and special events are on tap throughout the year at Delaware State Parks. Grab the kids and set out for a day of fun in the First State during: the "Great Kite Festival" in April at Cape Henlopen State Park; the "Civil War Reenactment" on Memorial Day weekend at Brandywine Creek State Park; "Garrison Weekend" in August at Fort Delaware; and the "Howard Pyle Pirate Festival" in September on the beach of Cape Henlopen.

Or have your own event at parks with special facilities, such as Bellevue Hall, the Cauffield House, the Judge Morris Estate, or the Biden Center which is just steps away from the beach at Cape Henlopen State Park. For information on unique places to hold a family reunion, wedding or business retreat, log on to www.destateparks.com or call 302-577-3390.

Accessibility for All

From conception and design to construction and implementation, Delaware State Parks are constantly working to make it possible for people with disabilities to enjoy Delaware's great outdoors and the recreational activities. Recognizing the nonuniformity of disabilities, staff members are prepared to assist when and wherever possible.

For more information on Delaware State Parks and other First State attractions, call the Delaware Tourism Office at 1-866-2-VISIT-DE (1-866-284-7483) and ask for a copy of the Official State Travel Guide.

WASHINGTON, D. C.																																																					

Delaware – we work hard to keep it beautiful and safe for you. Please place litter in proper receptacles and drive with care. Delaware is tough on drunken drivers. If you are arrested for driving under the influence of drugs or alcohol, expect to have your Delaware license taken away on the spot and your driving privileges revoked for a minimum of 90 days within three weeks of your arrest. In addition, you will face court-administered penalties including mandatory fines and mandatory attendance at an educational or rehabilitation program.

In Case of Emergency

Dial 911 to reach the nearest police service anywhere in the state. Additionally, many police departments monitor CB. Emergency Channel 9.

Speed Limits

Maximum speed limits are listed below. In certain areas, the posted speed may differ from the maximum limit. Obey the limit as posted. There may be minimum speed limits as well as maximum speed limits posted in some locations. Please maintain the minimum speed limits to avoid hazardous conditions on the road.

	Maximum Speed
Limited access highways, divided highways and highways with four lanes or more	55 miles per hour
Two lane roads	50 miles per hour
Business and residential districts	25 miles per hour
School zones	20 miles per hour

In addition to posted speed limits, advisory speeds used along with warning signs indicate conditions may exist to make it unsafe to drive faster. These signs are black letters on yellow signs.

Turns on Red

You may turn right on a red light provided you come to a full stop before proceeding. You may also turn left from a one-way street onto another one-way street on a red light after coming to a full stop. Do not turn on red when the intersection is posted with a sign reading "No Turn On Red" or when traffic signal displays a continuous red turn arrow.
