

ACKNOWLEDGEMENTS

Although far from a complete list of all those persons who contributed their expertise to the architectural investigation of the U.S. Route 13 Relief Route, we would like to acknowledge the guidance and assistance given directly to the KKFS team of architectural historians by the following individuals.

Delaware Department of Transportation, Division of Highways

Raymond M. Harbeson, Jr., Deputy Director for Pre-Construction

Joseph T. Wutka, Jr., Location Studies and Environmental Engineer

Nicholas S. Blendy, Environmental Planner

Kevin W. Cunningham, DelDOT Archaeologist

Delaware Bureau of Archaeology and Historic Preservation

Daniel R. Griffith, Bureau Chief

Stephen G. Del Sordo, Historian

Faye L. Stocum, Archaeologist

Alice H. Guerrant, Archaeologist
