

NEW! REFERENCE DOCUMENT AVAILABILITY

DelDOT has provided a new service to its contracting community by making certain documents available on-line. Please note these documents are for REFERENCE PURPOSES ONLY. The documents and their use is described below.

Bid Bond Form

This can be partially completed on-line and printed or saved to a computer for future use. To be valid, the form must be complete, contain original signatures in ink, submitted with the bonding company's paperwork, and all must be submitted with the bid. This is the same form included in the proposal book, and is available on-line for your convenience.

Bid Proposal

This is available on-line for the benefit of contractors who are contemplating purchasing the plans and specs, or for prime contractors' easy reference for their potential sub contractors.

NOTE: TO SUBMIT A BID FOR A PROJECT YOU MUST PURCHASE THE WRITTEN PLANS AND SPECS DIRECTLY FROM THE DEPARTMENT. THE PROPOSAL IS AVAILABLE ON-LINE FOR CONVENIENCE ONLY AND IS NOT TO BE RELIED UPON FOR BIDDING PURPOSES.

Plans

Plan sheets for some projects are available on-line for the benefit of contractors who are contemplating purchasing the plans and specs, or for prime contractors' easy reference for their potential sub contractors.

NOTE: TO SUBMIT A BID FOR A PROJECT YOU MUST PURCHASE THE WRITTEN PLANS AND SPECS DIRECTLY FROM THE DEPARTMENT. THE PLANS ARE AVAILABLE ON-LINE FOR CONVENIENCE ONLY AND IS NOT TO BE RELIED UPON FOR BIDDING PURPOSES. There are several areas where a pdf document may not properly represent the details provided in the written plans.

Planholders

We expect to make available within one business day any firms that have requested a written Bid Proposal and plan package.

Questions & Answers

Questions asked and answers provided will be available for review. We will attempt to post questions within one business day of receipt. We will attempt to post answers within one business day of receipt of the answer from internal sources. We do not anticipate this will affect the issuance of addendums that address specification changes in the Bid Proposal or plans.

Addendums

We will attempt to post Addendums within one business day of issue. THE ADDENDUMS ARE AVAILABLE ON-LINE FOR CONVENIENCE ONLY AND ARE NOT TO BE RELIED UPON FOR BIDDING PURPOSES. Bidders must still comply with the confirmation of addendum issuance in the bid package.
