

League of American Bicyclists Bicycle Safety Course Offered

Smart Cycling-Traffic Skills 101 Course

Description: Smart Cycling-Traffic Skills 101 is a nine-hour course that provides instruction and guidance in the basic principles of vehicular bicycling. Bicyclists have more fun when they ride with skill and confidence. This course combines classroom discussion and parking lot activities with on-road practice of the principles of vehicular bicycling. The instructor for this course is certified by the League of American Bicyclists.

COST: \$20.00 to cover materials and safety items
