

Appendix 3

Visual Accents and Vista Points

Visual accents include visually significant landscapes and landforms that serve as indicators of natural or historic processes, contain multiple resources that together form visually significant groups, or are clear examples of superior features or characteristics.

Vista points designate broad, expansive views, the scenic boundary of which are primarily defined by forest cover.

A graphic illustration of visual accents and vista points is contained on the Scenic Landscapes map in Appendix 1.

Visual Accents

NO.	VISUAL ACCENT	LOCATION
1	Mill race with sluice gates; dense mountain laurel understory	Rt. 82 (Snuff Mill Road) at the PA state line
2	Stone barn ruin	Yorklyn: 400 ft. N.W. of Rt. 82
3	Two stone bridges (#126)	Yorklyn: Upper Snuff Mill Row
4	Village	Yorklyn: Upper Snuff Mill Row
5	Stone farmhouse and barn	Nine Gates Road: 400 ft. W. of road
6	Stone farm complex (house and barn)	Ashland-Clinton School Road: in field S.E. of road, N. of Rt. 82 intersection
7	Stone building ruin and springhouse	Snuff Mill Road: N. side of road, 1600 ft. S.W. of Center Mill Road intersection
8	Stone barn	In field 2000 ft. W. of Center Mill Road
9	Victorian farmhouse and wood frame barn	Ashland-Clinton School Road: 400 ft. E. of road, 1000 ft. S. of Center Mill Road intersection

NO.	VISUAL ACCENT	LOCATION
10	Stuccoed stone farmhouse and stone springhouse	In field 400 ft. W. of Center Mill Road and Ashland-Clinton School Road intersection
11	Stone and wood frame farmhouse (Note: Accent no longer exists)	Ashland-Clinton School Road: E. side of road, 300 ft. N. of Center Mill Road intersection
12	Stone farmhouse, barn, retaining wall, ruins and spruce	Ashland-Clinton School Road: N. of road, 400 ft. S.W. of Old Kennett Road intersection
13	40" D.B.H. tulip poplar and sycamores (Note: Accent no longer exists)	Center Mill Road: s.e. side of road
14	Building complex, stream and wall	Intersection of Snuff Mill Road and Old Kennett Road
15	Stone retaining wall	Intersection of Old Kennett Road and Ashland-Clinton School Road
16	Stone mill building and stone bridge (#088)	Unnamed road 500 ft. N. of Snuff Mill Road
17	Stone gate house and stone bridge (#089)	Snuff Mill Road: n. side of road, 600 ft. N.E. of Old Kennett Road intersection
18	Row of white pines	Snuff Mill Road: along N. side of road
19	Row of white pines	Burnt Mill Road: along S. side of road
20	48" d.b.h. beech (Note: Accent no longer exists)	Burnt Mill Road: S. side of road, 1000 ft. from Rt. 52 intersection
21	Farm complex with stone barn	In field, 600 ft. N. of Snuff Mill Road
22	Row of white pines and red cedars	Along W. side of Rt. 52
23	Rock outcrop	Old Kennett Road: N. side, 600 ft. E. of Ashland-Clinton School Road intersection
24	White oaks, red oaks and tulip poplars	Old Kennett Road: N. side, 600 ft. E. of Ashland-Clinton School Road
25	Scenic landform	Old Kennett Road: N. side, 1200 ft. E. of Ashland-Clinton School Road intersection
26	Rock outcrops (both side of road)	Old Kennett Road
27	Farm complex ruin with stone springhouse and retaining wall	Old Kennett Road: S. side, 2000 ft. W. of Way Road intersection
