

# Santa got his.

# Are you going to get yours?

**A limited edition  
Centennial License Plate  
for yourself or a loved one makes  
a great gift for the holidays!**

Upgrade your ride by ordering your Centennial License Plate in time for the Holidays! This classic limited edition plate comes in heritage gold on a black onyx background, and celebrates the very first Delaware plate, produced in 1909. Delaware is the first state to produce a commemorative license plate of this kind, and it will soon be a valued collectible.
