

LATIN AMERICAN COMMUNITY CENTER PUBLIC INFORMATIONAL MEETING

What:

The Latin American Community Center (LACC) has partnered with the City of Wilmington and Delaware Department of Transportation for the design and construction of the Carpenter Street Enhancements Project. This project is under the Federal Transportation Enhancement Program.

Project Description:

The proposed project consists of pavement enhancements along Carpenter Street from Van Buren Street to Jackson Street. Aesthetic brick pavers, landscaping, porous concrete, and pedestrian lighting are some of the improvements proposed on the south side of the alley. This project will incorporate green technology and promote safety for the community residents by improving vehicle flow and pedestrian mobility. Construction is estimated to begin in the Fall 2012.

Time & Place:

Tuesday, June 21, 2011 @ 5:00 pm

Los Jardines

1000 W. 5TH Street

***Please use rear entrance on Carpenter Street (Yellow double doors)**

All residents within the project limits are strongly encouraged to attend this meeting. The project may require easements to construct the improvements and landscaping may be affected due to this project.

The input you provide is valuable in making this project a reality.
