

Delaware Pedestrian Master Plan

What Makes a Place Pedestrian Friendly?

Friendly

- Enough sidewalk width for traffic in both directions.
- Separation of pedestrians from traffic
- Clearly designated crossings
- Handicap accessibility
- Pedestrian amenities:
 - Benches
 - Shade
- Access to transit
- Human scale
- Landscaping

Unfriendly

- No accommodation for pedestrians
 - No sidewalks
 - No crosswalks
- Wider roadways
- Narrow sidewalks
- Uneven surface
- Poor maintenance
- Unsafe environment
