

Iron Branch Road/State Street Roadway Improvements

Project Need

- **There is a history of high crash rates along the roadway.**
- **Between 2003 and 2008, 28 crashes were reported. A utility pole was struck by a vehicle in 12 (43%) of these crashes.**
- **Improvements were recommended by the DelDOT Highway Safety Improvement Program (HSIP) in 2002 and 2007.**
