

Iron Branch Road/State Street Roadway Improvements

Potential Improvements

- **Shift curb inwards approximately 3 feet towards roadway to minimize the risk of crashing into utility poles.**
- **Reconstruct all sidewalk from Sussex Alley to Old Landing Road (0.9 miles).**
- **Relocate three utility poles on the north side of the roadway and relocate all signs and mailboxes to outside the roadway.**
- **Upgrade striping and install crosswalks.**
- **Upgrade storm drain facilities.**
- **Resurface roadway pavement.**
