TABLE OF CONTENTS

SR 26, Atlantic Avenue from Clarkesville to Assawoman Canal
Environmental Assessment and Section 4(f) Evaluation

U.S. Department of Transportation
Federal Highway Administration

STATE OF DELAWARE
Department of Transportation

TABLE OF CONTENTS

Page

SUMMARY **S-1**
A. Administrative Action S-1
B. Informational Contacts S-1
C. Description of Proposed Action / Purpose and Need S-1
D. Summary of Alternates Considered S-2
E. Summary of Environmental Impacts S-5

TABLE OF CONTENTS ..... **i**
List of Figures vi
List of Tables viii

I. PROJECT PURPOSE AND NEED **I-1**

A. Background I-1
1. Project Area I-1
2. Previous Studies I-1
3. Previous Improvements along SR 26 ..... I-4

B. Project Purpose I-4

C. Project Need I-4

D. Proposed Action I-8

II. ALTERNATIVES CONSIDERED **II-1**

A. No-Build Alternative II-1

B. Preliminary Project Development II-1
1. Project Initiation II-1
2. Avoidance and Minimization: Preliminary Alternatives A, B and C II-2
a. Section 1 ..... II-4
b. Section 2 ..... II-5
c. Section 3 ..... II-6
d. Section 4 ..... II-7

C. Build Alternatives II-8
1. Combination Alternative ABC II-8
2. Alternative D II-9
3. Revised Alternative D (Preferred Alternative) II-9

TABLE OF CONTENTS (continued)

Page

III. ENVIRONMENTAL RESOURCES & CONSEQUENCES III-1

A. Demographics III-1
1. Population III-1
a. Delaware III-1
b. Sussex County III-1
c. Project Area III-3
2. Racial and Ethnic Characteristics of the Project Area III-6
a. Low Income Population III-6
b. Minority Population III-6
c. Environmental Justice Communities III-7
(1) Impacts to Environmental Justice Communities III-7
3. Public Participation III-7

B. Economic Environment III-8
1. Sussex County Economic Characteristics III-8
2. Project Area Economic Characteristics III-8
a. Per Capita Income III-8
b. Occupations III-8
c. Employers III-9
(1) Impacts to Employers III-9
3. State of Delaware Land Preservation Programs III-10
a. Livable Delaware III-10
(1) Livable Delaware Impacts III-12
b. Agricultural Preservation III-13
(1) Agricultural Preservation Impacts III-13
4. Land Use in the Project Area III-14
a. Current Land Use III-14
(1) Current Land Use Impacts III-14
b. Planned Land Use III-16
(1) Planned Land Use Impacts III-16

C. Social and Cultural Environment III-18
1. Neighborhoods and Communities III-18
a. Impacts to Neighborhoods and Communities III-19
b. Personal Property Impacts III-19
(1) Impacts and Relocations to Local Residences III-20
(2) Impacts and Relocations to Local Businesses III-20
2. Community Facilities, Institutions and Services III-20
a. Educational Facilities (Schools and Libraries) III-20
(1). Impacts to Educational Facilities (Schools and Libraries) III-21

TABLE OF CONTENTS (continued)

Page

b. Churches and Cemeteries III-21
(1) Impacts to Churches and Cemeteries III-21
c. Parkland and Recreational Facilities III-21
(1) Impacts to Parkland and Recreational Facilities III-21
d. Emergency Services and Law Enforcement III-22
(1) Impacts to Emergency Services and Law Enforcement III-22
e. Health Care Facilities III-22
(1) Impacts to Health Care Facilities III-22
f. Water and Sewer Service III-23
(1) Impacts to Health Care Facilities III-23
g. Electric and Communication Utilities III-23
(1) Impacts to Electric and Communication Utilities III-23
h. Mass Transit III-24
(1) Impacts to Mass Transit III-24
4. Historic and Archeological Resources III-25
a. National Register of Historic Places-Listed/Eligible Resources III-25
(1) Impacts to National Register of Historic Places-Listed/Eligible Resources III-28
b. Archeological Resources III-29
(1) Impacts to Archeological Resources III-30

D. Natural Environment III-30
1. Topography, Geology and Soils III-30
a. Topography III-30
(1) Impacts to Topography III-30
b. Geology III-30
(1) Impacts to Geology III-31
c. Soils III-31
(1) General Characteristics III-31
(2) Highly Erodible Land III-31
(a) Impacts to Highly Erodible Land III-31
(2) Prime Farmland Soils and Soils of Statewide Importance III-32
(a) Impacts to Prime Farmland Soils and Soils of Statewide Importance III-32
2. Wetlands and Open Waters: USACE and DNREC Jurisdictional Resources III-32
a. Wetlands III-34
b. Open Waters III-36
c. Impacts to Wetlands III-38
d. Impacts to Open Waters III-38
e. Wetland Permits III-39
f. Wetland Mitigation III-40
g. Water Quality III-40

TABLE OF CONTENTS (continued)

Page

h. Floodplains III-41
(1) Impacts to Floodplains III-41
3. Wildlife and Wildlife Habitat III-43
a. Terrestrial Wildlife Habitat III-43
(1) Impacts to Terrestrial Wildlife Habitat III-43
b. Aquatic Wildlife Habitat III-43
(1) Impacts to Aquatic Wildlife Habitat III-43
c. Rare, Threatened and Endangered Species III-44
(1) Impacts to Rare, Threatened and Endangered Species III-44
4. Air Quality III-44
a. Air Quality Impacts III-45
5. Noise III-45
a. Noise Fundamentals and Data Collection III-45
(1) Field Receptors III-46
(2) Traffic Data III-48
b. Noise Abatement Criteria III-49
c. Modeling and Baseline Noise Levels III-49
(1) Model Validation III-49
d. Current and Future Noise Levels III-51
(1) Current Noise III-51
(2) Future Noise III-53
e. Noise Impacts III-54
f. Noise Mitigation III-56
g. Construction Noise III-56
(1) Construction Noise Impacts III-56
6. Hazardous Materials III-57
a. Impacts to Hazardous Materials III-57

IV. SECTION 4(f) EVALUATION IV-1

Nationwide Section 4(f) Evaluation for Minor Involvement with Historic Sites IV-1

A. Description of Proposed Action Under the Preferred Alternative IV-3

B. Description of Section 4(f) Resources IV-4

C. Description of Impacts to Section 4(f) Resources IV-12

TABLE OF CONTENTS (continued)

Page

D. Avoidance and Minimization Alternatives IV-12

1. Preliminary Alternatives A, B, C IV-12
   a. Section One IV-12
   b. Section Two IV-13
   c. Section Three IV-13
   d. Section Four IV-13
2. Build Alternatives IV-13
   a. Combination Alternative ABC IV-13
   b. Alternative D IV-14
   c. Revised Alternative D (Preferred Alternative) IV-15

E. Coordination and Mitigation IV-16

APPENDICES

Appendix A Section 106 of the NHPA Coordination A-1
Appendix B Finding of No Adverse Effect B-1
Appendix C Rare, Threatened and Endangered Species Coordination C-1
Appendix D Agency Coordination D-1
