113

US 113 North / South Study

Next Steps

- Project Team evaluates comments on refined Alternatives Retained for Detailed Study from the February Public Workshops March-April 2007
- Project Team consults with Environmental Resource Agencies on environmental data and analysis for the Draft Environmental Impact Statement (DEIS) On-Going
- Project Team presents DEIS data and analysis to Working Group March-April 2007
- Project Team discusses potential recommendations for a Recommended Preferred Alternative in Milford Area with the Working Group and environmental resource agencies March-April 2007
- Project Team completes Draft Environmental Impact Statement (DEIS) March-May 2007
- DeIDOT announces availability of DEIS, including a Recommended Preferred Alternative * May 2007
- DeIDOT conducts Public Workshop / Hearing on DEIS and Retained Alternatives, Including a Recommended Preferred Alternative June 2007

- * Inclusion of a Recommended Preferred Alternative in the DEIS depends on the results of:
- Environmental resource agency consultation
 - Working Group coordination
 - Public input
 - Ongoing Detailed Evaluation

Stay Informed & Up-to-Date

We encourage all residents, property owners, business owners and those who travel the US 113 Corridor to stay informed and make their views known on alternatives that will address the problems on US 113. There are a number of ways to do this:

- Attend Public Workshops / Hearings
- Fill out a Comment Form
- Log on the Project website for all the latest information
<http://www.deldot.gov/static/projects/us113>
- By Phone: 1-800-652-5600 (in DE) or 302-760-2080
- By Email: dot-public-relations@state.de.us

Thank You!

We thank you for taking the time to review tonight's materials and for participating in the US 113 North/South Study.

Your insights and suggestions are valuable and greatly appreciated. Your comments, along with those of the environmental resource agencies and the area Working Group, will be considered as we move forward with the preparation of the Draft Environmental Impact Statement (DEIS) and toward reaching an informed decision on a Recommended Preferred Alternative.
