

Saulsbury Road Extension / West Dover Connector

Give us your ideas!

You are invited to attend a public workshop on January 22 to discuss extending Saulsbury Road south from its intersection with North Street, providing a new West Dover Connector.

This first workshop for the study will give the public an opportunity to express their thoughts and suggestions on the proposed project. Comments will be received during the workshop or can be mailed to DeIDOT Public Relations*.

Review Details of the Study

Workshop participants are invited to attend the workshop between 4-8 pm and review:

- Traffic, land use and development information relating to the need for additional highway capacity in the study area
- Preliminary information on environmental, cultural and historic resources
- Information outlining community issues
- Next steps
- How you can stay involved as this project moves forward

*For More Information:
