

# Project Background

## Study Area Map

The West Dover Connector would extend south from the intersection of Saulsbury Road and North Street to New Burton Road and U.S. 13. Extension of Saulsbury Road was recommended for further study in:

- The City of Dover Comprehensive Plan
- Dover/Kent County (MPO) Long-Range Transportation Plan
- City of Dover's list of unfunded projects — No. 1 priority for study

## Actions to Date

- Created a West Dover Connector Working Group
- Developed and analyzed concepts and alternatives
- Narrowed list of alternatives; 5 have been retained for detailed study
