

Traveling in Delaware?

Access real-time traveler information at your fingertips with the DelDOT App.

The **DelDOT App** provides up-to-the-minute, reliable traffic data that comes directly from DelDOT's Transportation Management Center (TMC).

Use the **interactive travel map** to view

-  *DART bus stops*
-  *Live video from over 150 traffic cameras*
-  *Travel times for the heaviest-traveled roadways*
-  *Round-the-clock travel advisories (incidents)*
-  *Color-coded traffic conditions*
-  *Roadway weather*
-  *Travel restrictions and closures*
-  *Snow plow movement during snow events*
-  *Water levels on roadways*

Without your phone?

Access the same real-time traveler information from DelDOT's website (www.map.deldot.gov) and radio station (WTMC 1380 AM).

The App also provides streaming audio of WTMC 1380 AM 24-hour broadcasts and social media connections. See the reverse side of this flyer for more features.

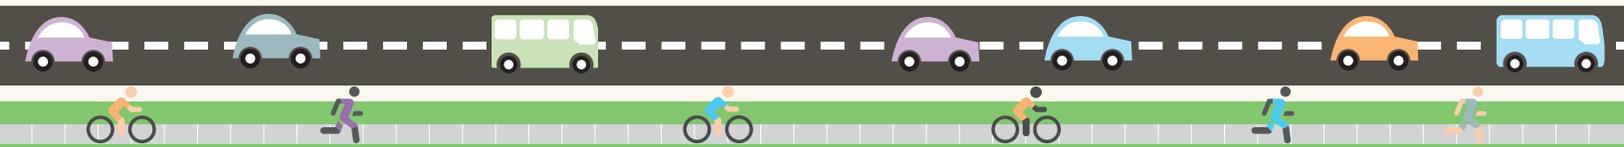

Stay informed and avoid delays.

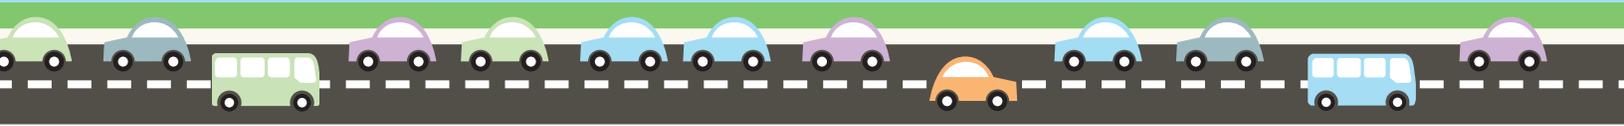

Download the free **DelDOT App**, for Android and iOS devices.

More App Features

Radio Station

With one touch, activate a live stream of DeLDOT's traveler advisory radio, WTMC 1380 AM.

Perfect for hands-free access to traffic information.

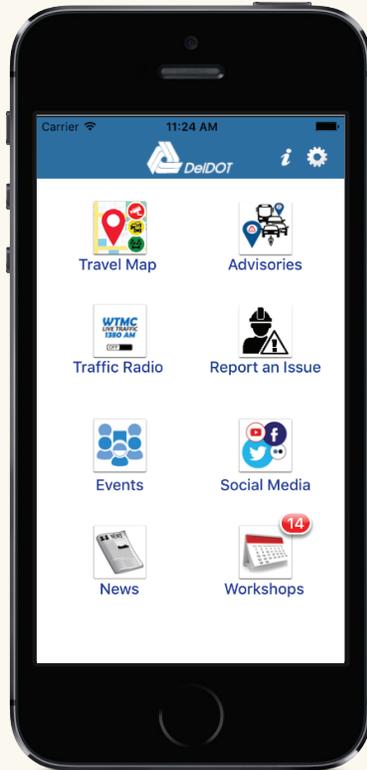

News

Direct connection to DeLDOT press releases and traffic alerts.

Transit

View all nearby DART bus stops and scheduled arrival times.

Report Traffic Issues

Use the "Report an Issue" feature to report a roadway condition by submitting a form, or calling DeLDOT's TMC 24/7:

Select "Report an Issue" through the DeLDOT app;

Dial #77 (in Delaware) from any cell phone;

Call (302) 659-4600 or (800) 324-8379; or

Email DelDOTTMC@state.de.us

For emergencies, contact 911.

Events

Detailed travel information about road closures, beach traffic, and special events in Delaware like Firefly Music Festival, NASCAR races, and the Delaware State Fair.
