

## **Delaware Department of Transportation Suspends Interstate Projects This Easter Weekend**

Dover: The Delaware Department of Transportation (DelDOT) reminds drivers to expect heavy traffic in Delaware for this Easter weekend. Planned lane closures on Delaware's multi-lane highways will be suspended at midnight on Friday, April 3, and will resume on Monday, April 6. Traffic accidents and other unpredictable types of transportation incidents may cause lane closures and/or delays.

Motorists looking for a break during their travels can stop at the I-95 Service Plaza in Newark or the Smyrna Rest Area just off of Exit 119 on Route 1.

Motorists can adjust their routes or travel times by using DelDOT's Smartphone application. The DelDOT App is available for Apple & Android smart phones and tablets, and can be downloaded free at the Apple and Google Play stores or go to [www.DelDOT.gov](http://www.DelDOT.gov) and click on the link to stores.
