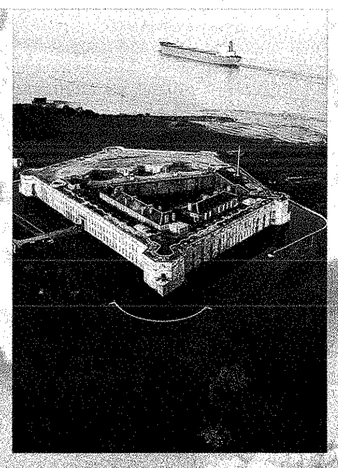
From the rolling hills and pastures of the north to the salt marshes and sandy beaches along the coast, Delaware has a diverse and rich landscape. Our state lies in the heart of a region defined by the Delaware and Chesapeake Bays, rich in natural beauty. Quiet rivers lace the land, providing a framework for diversity of plant and animal habitats.

This heritage deserves to be safeguarded. Delaware's effort to preserve already protected open spaces and eventually connect them with greenways is underway. The Delaware Greenways program provides technical assistance from which greenways can develop. Greenways protect and preserve our treasured open spaces. Delawareans have initiated greenways around their communities to enjoy the ways in their own neighborhoods.

Our Coastal Heritage

The state's most comprehensive greenway to date is the Delaware Coastal Heritage Greenway. Stretching from Fox Point State Park in Northern Delaware, it follows the entire length of Delaware's Coastline — as far south as Cape Henlopen and Fenwick Island. Trails, historic homes and buildings, bikeways, protected open space and scenic roads within the greenway corridor combine to showcase the diversity of the cultural heritage that defines The First State.



Delaware Greenways

An outgrowth of the Coastal Heritage Greenway is the newly created Auto Tour. The northern phase of the tour has recently been completed. Without leaving your car, you can experience an overview of the cultural, historical, and natural highlights of

the relatively undeveloped treasures along the River Road on Route 9. This narrow blacktop road winds through quiet 'salty' villages, beautiful marsh meadows and broad wildlife refuges, past historic homes and schools. When you need to stretch your legs, there are also trails which enable you to explore our heritage more closely.

Taking the scenic Auto Tour can deepen your appreciation for Delaware's coastal habitats and introduce you to the local traditions. For more information about the Auto Tour or Delaware Greenways, contact the Division of Parks and Recreation at (302) 739-5285 or the Delaware Tourism Office at (302) 739-4271.

Mileage Chart

(Approximate Mileage)

To determine the distance between two places, trace across the horizontal column of one town to an intersection with the vertical column of the other town. The figure is the approximate mileage between the two points.

▪ Indicates travel via the Cape May-Lewes Ferry.

Delaware – we work hard to keep it beautiful and safe for you. Please place litter in proper receptacles and drive with care. Delaware is tough on drunken drivers. If you are arrested for driving under the influence of drugs or alcohol, expect to have your Delaware license taken away on the spot and your driving privileges revoked for a minimum of 90 days within three weeks of your arrest. In addition, you will face court-administered penalties including mandatory fines and mandatory attendance at an educational or rehabilitation program.

In Case of Emergency

Dial 911 to reach the nearest police service anywhere in the state. Additionally, many police departments monitor CB. Emergency Channel 9.

Speed Limits

Maximum speed limits are listed below. In certain areas, the posted speed may differ from the maximum limit. Obey the limit as posted. There may be minimum speed limits as well as maximum speed limits posted in some locations. Please maintain the minimum speed limits to avoid hazardous conditions on the road.

	Maximum Speed
Limited access highways, divided highways and highways with four lanes or more	55 miles per hour
Two lane roads	50 miles per hour
Business and residential districts	25 miles per hour
School zones	20 miles per hour

In addition to posted speed limits, advisory speeds used along with warning signs indicate conditions may exist to make it unsafe to drive faster. These signs are black letters on yellow signs.

Turns on Red

You may turn right on a red light provided you come to a full stop before proceeding. You may also turn left from a one-way street onto another one-way street on a red light after coming to a full stop. Do not turn on red when the intersection is posted with a sign reading "No Turn On Red" or when traffic signal displays a continuous red turn arrow.

Welcome!

My family and I join our fellow Delawareans in extending a warm invitation to visit Delaware, the "Small Wonder." Delaware is blessed with natural beauty, cultural diversity, rich American history, and warm, friendly people. We have world class museums, great restaurants, and no sales tax. Delaware is a fine place to enjoy a weekend get-away, a relaxing vacation, or even a quick day trip to take advantage of tax-free shopping.

We look forward to sharing with you our sandy ocean beaches, exciting cultural attractions, diverse ethnic and arts festivals, fine accommodations and restaurants, charming small towns, and an abundance of beautiful natural resources. Driving from the rolling hills of northern Delaware to our delightful coastal beaches is a mere two hours through the green farmlands of central and southwestern Delaware and along the haunting marshes of the Delaware River and Bay. Come see us in Delaware—the First State for tourism!

Sincerely,

Thomas R. Carper
