

APPENDIX B

RESUME

Eric F. Griffitts

**ERIC F. GRIFFITTS**  
*Architectural Historian*

**EDUCATION**

- M.A., History, with a Specialization in Historic Preservation, Oklahoma State University, 1995
- B.A., History, The College of New Jersey, 1993

**PROFESSIONAL EXPERIENCE**

Conducts architectural surveys and historical research for cultural resource surveys, National Register determinations of eligibility, and historic context studies. Since joining Berger in 1997, Mr. Griffiths's major projects include:

- **Preston County, West Virginia.** Cultural resource survey of three tracts for a proposed federal penitentiary. Conducted the architectural survey and evaluation of existing resources and performed general contextual and site-specific historic research. For the U.S. Department of Justice, Federal Bureau of Prisons.
- **College and Walker Roads, Dover, Delaware.** Architectural survey of a small neighborhood in northwest Dover. Conducted the survey and evaluation of resources, as well as general contextual and property-specific historical research. For the Delaware Department of Transportation.
- **Kirkwood Highway, Elsmere, Delaware.** Architectural survey of a portion of Kirkwood Highway from State Route 141 to State Route 100. Conducted a survey and National Register evaluation of resources located in a portion of Elsmere, an early twentieth-century suburb of Wilmington. For the Delaware Department of Transportation.
- **U.S. Route 206 Bypass, Sections 14A and 15A, Somerset County, New Jersey.** Historic architectural and Phase I archaeological survey. Conducted the architectural survey and National Register evaluation of extant resources. For the New Jersey Department of Transportation.
- **Route 3, Culpeper County, Virginia.** Phase II archaeological investigations of three sites. Conducted historical research in support of archaeological investigations at two historic sites. For the Virginia Department of Transportation.
- **U.S. Routes 58 and 16, Washington, Grayson, and Smyth Counties, Virginia.** Phase I cultural resource survey. Assisted in the architectural survey of an approximately 60-mile section of Routes 58 and 16 in southwest Virginia. Responsible for the survey and evaluation of existing historic resources and property-specific historical research. For the Virginia Department of Transportation.
- **Route 94, Washington County, Virginia.** Phase I cultural resource survey. Conducted the architectural survey and National Register evaluation of existing resources and performed general contextual and site-specific historical research. For the Virginia Department of Transportation.

- **North Street, Dover Delaware.** Architectural survey of a portion of North Street in Dover from West Street to Mifflin Road. Conducted the survey and evaluation of resources and performed site-specific and general contextual research. For the Delaware Department of Transportation.
- **S. State Street (Alt. Route 113A), Dover, Delaware.** Architectural survey of a portion of S. State Street from Webbs Lane to State Route 10. Conducted the survey and evaluation of resources, as well as general contextual and property-specific research. For the Delaware Department of Transportation.
- **Bridges 526 and 527, Sussex County, Delaware.** Architectural survey in conjunction with the replacement of two bridges. Performed the survey and National Register evaluation of a mill site associated with the bridge project, and conducted general contextual and site-specific research. For the Delaware Department of Transportation.
- **Intersection of Routes 26 and 17, Sussex County, Delaware.** Architectural survey. Conducted the survey and National Register evaluation of resources, as well as general contextual and site-specific resources. For the Delaware Department of Transportation.
- **Bliss - Fike Farm, Preston County, West Virginia.** Phase I cultural resource survey for a proposed federal penitentiary. Conducted the architectural survey and National Register evaluation of existing resources and conducted site-specific historical research. For the U.S. Department of Justice, Federal Bureau of Prisons.
- **Dawson House Site, Dover, Delaware.** Historical research in support of an archaeological investigation of an eighteenth-century farmstead. For the Delaware Department of Transportation.
- **Creighton Road Site, Hanover County, Virginia.** Phase I cultural resource survey. Performed the architectural survey and evaluation of existing resources and historical research. For Hanover County, Virginia.
- **Denneys and Mckees Roads, Dover, Delaware.** Architectural survey and National Register evaluation of resources. For the Delaware Department of Transportation.
- **Lee House Site, Stafford County, Virginia.** Historical research in support of an archaeological investigation of a nineteenth-century farmstead. For the Virginia Department of Transportation.
- **Gilmer County, West Virginia.** Cultural resource survey of a proposed federal penitentiary. Conducted the architectural survey and evaluation of existing resources and historical research. For the Federal Bureau of Prisons.
- **Lorton, Fairfax County, Virginia.** Phase I cultural resource survey of the Women's Division of the Occoquan Workhouse complex. Conducted the architectural survey and evaluation of existing resources and historic research. For the County of Fairfax.
- **Route 460, Buchanan County, Virginia.** Phase I cultural resource survey. Performed the architectural survey and evaluation, along with the historical research. For the Virginia Department of Transportation.

- **Route 3, Culpeper County, Virginia.** Phase I cultural resource survey. Conducted historic research in support of archaeological investigations. For the Virginia Department of Transportation.
- **Route 82, New Castle County, Delaware.** Architectural survey. Conducted an architectural survey and evaluation of existing historic resources and historical research. For the Delaware Department of Transportation.
- **Route 130, Rockbridge County, Virginia.** Phase I cultural resource survey for a bridge replacement. Performed historical research in support of archaeological investigations of a nineteenth-century canal. For the Virginia Department of Transportation.

#### **PAST PROFESSIONAL EXPERIENCE**

- **Historic Sites Surveyor, P.A.C. Spero and Company, Inc.** Conducted architectural surveys on transportation-related projects in Pennsylvania and Maryland.
- **Member, Town of Newton Historic Preservation Advisory Commission.** Participated as a member of a local government organization that reviewed design guidelines for a National Register-listed central business district.
- **Graduate Assistant, Oklahoma State University History Department.** Conducted an intensive level architectural survey of a residential and commercial district in Lawton, Oklahoma.
- **Summer Intern, New Jersey State Historic Preservation Office.** Prepared a thematic context document about municipal properties in the state in support of future preservation planning.
