LIST OF FIGURES

- Figure 1.** Project Area location. (Detail, *Kennett Square PA-Del. 7.5 Minute Quadrangle*, USGS, 1986).
- Figure 2.** Architectural Area of Potential Effects. (Detail, *Kennett Square PA-Del. 7.5 Minute Quadrangle*, USGS, 1986).
- Figure 3.** Mill Creek Hundred c. 1868. (Source, D. G. Beers' *Atlas of the State of Delaware*, Pomeroy & Beers, 1868).
- Figure 4a.** Mill Creek Hundred c. 1893. (Source, the *Atlas of New Castle County*, Philadelphia: G. W. Baist, 1893).
- Figure 4b.** Detail of the Village of Hockessin c. 1893. (Source, the *Atlas of New Castle County*, Philadelphia: G. W. Baist, 1893).
- Figure 5.** Hockessin Road Soils Distribution. (USDA, *Soil Survey of New Castle County, Delaware*, Soil Conservation Services, 1970).
- Figure 6.** Mill Creek Hundred c. 1850. (Source, Jacob Price and Samuel Rea's *Map of the State of Delaware*, Robert E. Smith, 1850).
- Figure 7.** New Castle County c. 1838. (Source, G. W. Boynton's *The First Two Railroads*, Bradford & Goodrich, 1838).
- Figure 8.** Hockessin c. 1954. (Source, United States Geological Survey's *Kennett Square PA-Del 7.5 Minute Quadrangle*, 1954.)
- Figure 9.** Intersection of Old Lancaster Pike and Valley Road c. 1952 showing future location of SR 41. (Detail, *Construction Plan for Lancaster Pike: Gap Road to PA Line*, State of Delaware Department of Transportation, July 1952).
- Figure 10a.** Detail of archaeological APE and field testing for Lancaster Pike (western portion of APE).
- Figure 10b.** Detail of archaeological APE and field testing for Lancaster Pike (eastern portion of APE).
- Figure 11.** Detail at west end of archaeological APE showing shovel test results and buried foundation.

LIST OF TABLES

- Table 1.** Soils and Soil Properties
- Table 2.** Previously Recorded Archaeological Sites within One-Mile Radius
- Table 3.** Historic architectural resources documented in the survey area.
- Table 4.** Artifact Inventory
- Table 5.** Summary of artifacts recovered during Phase I excavation by KSK.
- Table 6.** Prehistoric resources recovered during Phase I excavation by KSK.

LIST OF PLATES

- Plate 1.** Overview, facing west, showing triangle area at intersections of S.R. 41 (Lancaster Pike), Valley Road, and Old Lancaster Pike.
- Plate 2.** Overview, facing east along north side of S.R. 41 (Lancaster Pike), showing north western APE boundary.
- Plate 3.** Overview, facing east at intersection of S.R. 41 (Lancaster Pike) and Valley Road, showing stream culvert and southern section of APE.
- Plate 4.** Overview, facing east at intersection of S.R. 41 (Lancaster Pike) and Valley Road, showing northern section of APE.
- Plate 5.** Overview, facing east at intersection of S.R. 41 (Lancaster Pike) and Railroad crossing, showing southern section of APE.
- Plate 6.** Overview, facing east at intersection of S.R. 41 (Lancaster Pike) and STP # 28, showing northern section of APE.
- Plate 7.** Overview, facing west at intersection of S.R. 41 (Lancaster Pike) and Happy Harry's commercial structure, showing northeast boundary of testable APE.
- Plate 8.** Overview, facing east at intersection of S.R. 41 (Lancaster Pike) and Happy Harry's commercial complex, showing disturbed area outside of testable APE.
- Plate 9.** Overview, facing west at intersection of Old Lancaster Pike and Yorklyn Road.
- Plate 10.** Overview, facing east at intersection of Old Lancaster Pike and the Wilmington and Western Railroad.
- Plate 11.** View north along the Wilmington and Western Railroad from Yorklyn Road.
- Plate 12.** View east to the Public School No. 29 (Lanborn Library).
- Plate 13.** View south to the Public School No. 29 (Lanborn Library).
- Plate 14.** View north to Jackson's Post Office and Store
- Plate 15.** View south to 1410 Old Lancaster Pike.
- Plate 16.** View west to 1410 Old Lancaster Pike.
- Plate 17.** View south to 1406 Old Lancaster Pike.
- Plate 18.** View west to 1406 Old Lancaster Pike.
- Plate 19.** View east to former historic district showing infill of modern buildings.

Plate 20. View west to 1250 Old Lancaster Pike currently under renovation.

Plate 21. View south to 1336 Old Lancaster Pike showing a typical renovated historic resource within the Hockessin district.

Plate 22. View north to 1213-15 Old Lancaster Pike showing a typical renovated historic resource within the Hockessin district.
