

# TABLE OF CONTENTS

LIST OF ILLUSTRATIONS	II
ABSTRACT	III
ACKNOWLEDGMENTS	IV
1. INTRODUCTION	1
Purpose and location of the project	1
Physical description of the project area	1
Known cultural resources and previous research	3
2. BACKGROUND	8
Prehistoric background	8
European-American history	8
History of the project vicinity	9
History of the mill seat	10
Cartographic evidence of project area features	19
3. RESEARCH DESIGN	22
Preservation planning in Delaware	22
Application of National Register criteria	24
Research methods and objectives	25
4. DESCRIPTION OF FIELD WORK	26
Trenches south of Mill Alley	26
Mill Alley	26
The mill site	29
5. CONCLUSIONS AND RECOMMENDATIONS	34
Significance of the resource	34
Potential significance of the dam-bridge system	35
Disposition of materials	36
REFERENCES	37
APPENDICES:	
1. DESCENT OF TITLE	39
2. HAER DOCUMENTATION	47
3. DETERMINATION OF ELIGIBILITY	57

# ILLUSTRATIONS

## PLATES

1	BRIDGE 808 FROM THE LOWER BRIDGE, 1990	2
2	BRIDGE 808, LOOKING UPSTREAM TOWARD THE POND	3
3	DETAIL OF JOHN C. HAZZARD'S 1887 MAP	7
4	VIEW OF BRIDGE 808, LOOKING NORTHEASTWARD, 1990	7
5	VIEW OF THE FIRST WAGAMON MILL FROM THE POND	15
6	VIEW OF THE FIRST WAGAMON MILL FROM DOWNSTREAM	17
