

BLUE BALL DAIRY BARN

Renovations Complete

The renovations for the adaptive re-use of the Blue Ball Dairy Barn that began Spring 2004 are complete. DNREC will be scheduling events for March 2007.

This environmentally friendly building:

- Provides an historical resource
- Provides new community meeting facilities for residents
- Houses Delaware's Folk Art Collection and displays about dairy farming

The barn's exterior amenities include:

- Walled Courtyard
- Information Kiosk
- Wide Walkways
- Lighting
- Landscaping
