

# HSIP Sussex County US 113 Intersection Improvements

## Anticipated Schedule

- Final Design will be complete by Fall 2011
- Construction anticipated to begin in Spring 2012 (Schedule based on current DelDOT funding)

**Thank You!**

We thank you for taking the time to review tonight's materials and for participating in the workshop.

Your insights and suggestions are valuable and greatly appreciated. Your comments will be considered as we continue forward with design.
