

# **Welcome to the HSIP Sussex County US 113 Intersection Improvements Workshop!**

---

## **Purpose of the Workshop**

- **The purpose of this workshop is to present the proposed improvements at seven intersections along US 113 in Sussex County.**
- **The Delaware Highway Safety Improvement Program (HSIP) identified these seven locations as having high crash rates and evaluated these intersections to improve safety and operations.**
- **Your comments and input will be considered as the project continues through the design process.**
