**Public Workshop Survey**

Our goal at DeIDOT is to keep the public informed of transportation projects and programs. One of the ways we do this is through public workshops like the one you are attending this evening. By filling out this survey and dropping it in the COMMENTS box, or mailing it to DeIDOT at the address listed on the reverse side of this survey, you will greatly assist us in evaluating our community outreach efforts. Thank you.

Please print your responses to the following questions. If you would prefer not to answer a question, simply leave the question blank. We appreciate any comments you may have.

Other than those noted during tonight's workshop, are there additional concerns you have regarding travel at the US 113 at Alms House Road/Speedway Road and US 113 at Kruger Road/Wood Branch Road intersections? These concerns may include issues or operations that you noted prior to the implementation of the current median restrictions.

---

---

---

Are there any additional features or changes that you would like to see as part of the improvements or as part of the current median restrictions?
