

DBE in the Spotlight

A.N.J.J. Staffing & Training, LLC

A.N.J.J. Staffing & Training LLC is a DBE/WBE/MBE certified, women-owned, construction firm that offers flagging services and certification opportunities such as ATSSA flagger, OSHA-10, and OSHA-30 in all the metro areas in Maryland and Pennsylvania.

Located in New Castle, Delaware, the firm currently employs approximately 10 people and offers trained, skilled, professional flaggers and laborers who are dependable and reliable workers. The firm has proudly worked with JJID, Greggo & Ferrara, A-Del Construction, Harmony Construction, Fontana Concrete, and George & Lynch. The project located at Milltown Road and South Market Street in Wilmington is one of the latest projects that A.N.J.J. was proud to be a partner on.

Our Goal:

A.N.J.J. Staffing & Training is working to expand its services to traffic control setup and offer laborers certified in flagging, concrete, and asphalt to meet the growing demand in those fields. Future business partners should know that the staff at A.N.J.J. are hard working, flexible, reliable and will boast that no job is too small or too large!
